1. Club's Promise and Responsibility

TSC's Mission is to create an inclusive and welcoming community of like-minded people who appreciate craftsmanship and enjoy supporting local artisans. TSC's Promise is in doing our best to curate high quality member experiences that are aligned with the Club mission and values. TSC's values are inclusivity, openness, sincerity and positive attitude. TSC's responsibility is to ensure each of TSC Main Events will take place at a proper location that is easily accessible and is on par with the theme of the event and Club's standards. TSC is not responsible for any lost or stolen items during the TSC Events. TSC doesn't take responsibility for any TSC Member who provided untruthful personal information on their application.

2. Member's Responsibility

TSC Members agree to treat one another with respect, both in verbal and non-verbal communication. Any discrimination towards a fellow Member or a guest will not be tolerated, and will result in immediate revoking of the TSC Membership.

TSC Members are responsible for the friendships and connections they make within the Club. Business collaborations and partnerships are highly encouraged and should be carried out in a respectful and appropriate way.

TSC Members are responsible for having a good time at the Club's in-person events. It is a Member's responsibility to know the place and the date of the event, and if they need to purchase an additional event entry ticket (*see #3).

TSC Members are responsible to understand their Membership Benefits based on their subscription level. Members understand that under no circumstances they are allowed to share promo codes from the TSC Partner's Network outside the Club. Doing so will lead to revoking of their membership (*see #4).

TSC Members are solely responsible for understanding all of the Club Rules and for providing truthful personal information upon joining the Club.
